

TIME OUT TICKET FOR TALK

A tip of the Famous "P.R." hat to Otus Bowes, Manager of the Capitol Theatre, Moose Jaw, for this front page item which also earned his theatre and company numerous radio and television plugs.

MOOSE JAW, SASKATCHEWAN, SATURDAY, NOVEMBER 26, 1960

TOYS COLLECTED

Some 500 toy-carrying children attended a Cartoon Carnival at the Capitol Theatre this morning. The kiddies could gain admission to the theatre by bringing one repairable toy to the box office. The toys, mostly dolls, will be repaired by a group of RCAF personnel, under Ft. Sgt. E. M. Harris. "Most of the toys were in pretty good shape, and some of

them were brand new," said Mr. Bowes, "we plan to have another next year in the first week of November." Randy Loewen, Mankota, Sask., adds his toy to the large pile as he enters the theatre. The 600 toys collected, after being repaired, will be given to the Family Service for distribution to needy children at Christmas.
